## Ronald McDonald House celebrates 20 years

Steve Fannin, former member of the board of directors for Ronald McDonald House, presented our program on Monday. The Lubbock Ronald McDonald House is celebrating 20 years of serving children and their families this year.

Steve told us how a group of people got together in 1982 to begin plans for the house. The house in Lubbock is unique in that it was the first to be a totally new construction. Previously, all Ronald McDonald Houses had occupied existing structures. The Lubbock house was designed to meet the needs of families that would be housed their.

Ronald McDonald Houses serve families who have a child

in the hospital and the family lives outside of Lubbock. They provide room and board for \$35 per day.

Ground breaking took place in 1985 and the building was finished in 1988. When the facility opened its doors in March 1988 it was debt free. Many civic organizations stepped-up to make sure it was paid-in-full. Our club donated \$15,000 to help with the construction. There is a plaque in the front office recognizing our contribution.

As Lubbock Monterey AMBUC members we can all take pride in the great service Ronald McDonald House has provided these 20 years and the part we played in making it possible.
