## Tom McVeigh Texas Tech Football

Dana Holgerson, offensive coach at Texas Tech University who was scheduled to speak at Monday's meeting was called away at the last minute. Tom McVeigh was gracious enough to sit in for him. This is an exciting time to be a Texas Tech sports fan, let alone a football fan. Coach Mike Leach has continued his growing successes grooming phenomenal quarterbacks. Tom says Cody Hodges looks pretty right now but the young ones are always snapping at his heels.

Thanks again! Keep up the great work! Guns Up!
