Mayor Marc McDougal

Mayor Marc McDougal was the speaker for Monday the 6th's meeting at the Market Alumni Center. He spoke of the current and upcoming events on tap for Lubbock. One of the many developments that all people from Lubbock should be proud of is the redevelopment of the Overton Park area. The Overton Park's 325 acres were worth \$26 million at ground breaking. At completion, the Overton Park Complex will command over \$550 Million on the tax roles. Mayor McDougal also spoke on the new drainage systems for Lubbock. They have worked very well. The Marsha Sharp Freeway and the addition to Milwaukee Street were discussed. Water usage came up in the chat as well. Lubbock is an exciting place to live right now and years to come! Thanks for visiting with us again, Mayor!

Lubbock Challenger League!

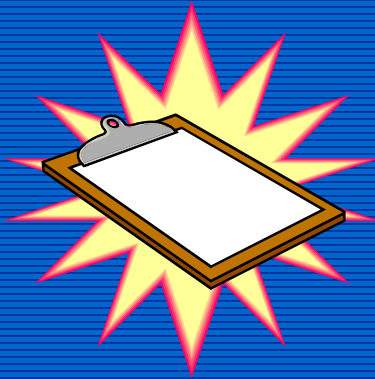

For the 15th year, it's time to oil up that glove. Here's to a great 2005 Challenger League season! All games played at 28th & Nashville. Once again, AMBUCS provide the Umpires and Richard Hamilton is in charge. If you've never umpired a Challenger League game, Richard likens it to witnessing an AMTRYKE presentation. Contact Richard about being an Umpire for a few games. The end of season 2005 party will be July 30th. Contact Patty Vannoy or any Big Hatter about help with the party. Go out and support our Wildcats, the Challenger League team Lubbock Monterey AMBUCS has sponsored for 15 years!

Award winning Club!

The Lubbock Monterey AMBUCS received the Heart To Heart Award from the Parenting Cottage for all our support. Gail King, the new President had a plaque made for Lyle Donathan as the Outgoing President to show our appreciation of the great job he did last year. We should all feel proud to know him.
