# Club Begins New Year

## New President, New Officers, New Meeting Place (sort of)

If you went to the International Cultural Center last Monday and no one was there, you obviously didn't get the message. We have now moved our meeting back to the Merket Alumni Center. Remodeling is almost finished and we will be in the facility from now on.

Faissal Zeitouni led our meeting for the first time. He is officially president after taking over from Mike Hill. Faissal passed around a list of new committee assignments and asked us to look it over. That list is also on page 2 of this newsletter. Faissal said to let him know if you have a change.

Curtis Bartlet, head of the city's Solid Waste Recycling

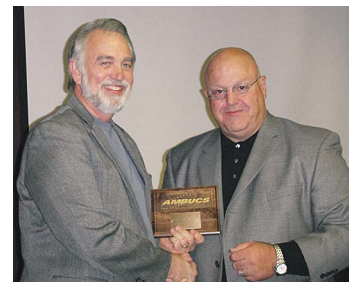

Faissal is installed as president at the May 15 Installation and Awards program

Service, spoke at the meeting. He encouraged us to bring our recyclables to any of the drop-off locations. The main locations are at 2002 Elmwood Ave., 1631 84th St., and 208 Municipal Drive. There are also a number of sub-stations throughout the city.

Thanks go to Curtis for the program.

Mike receives his past president's pen in appreciation of a great year

Ron is recognized as AMBUC Of The Year
