Committees Formed

Monday's meeting was filled with this year's new committees getting together to plan activities for the coming months. Some people had not turned in a committee preference sheet so Mike asked them to go ahead and take care of that. For those

of you who have not filled one out and were not present on Monday, Mike will place you on a committee that is needing some additional help.

Look for a complete list of new committees and committee chairmen in next week's bulletin.

Message From The New President-Elect

In case you missed Faissal's e-mail message from earlier this week, here it is again. I believe the letter says a lot about why we are members and why what we do is so important to this community. It is worth reading one more time.

It is known to all of us that Ambucs is a non-profit service organization.

It is a group of men and women dedicating time and resources to create mobility and independence for people with disabilities through volunteerism.

The simplest definition of volunteerism is the willingness of people to work on behalf of others without the expectation of pay or other tangible gain.

That includes but not limited to giving your time, money, talent, dedication and anything positive one can offer in no particular order.

There are no mandatory quotas or minimums. The only (unofficial) requirement as members of our club is to do what you can, when you can, as much as you can and have fun doing it. It is not a contest and is not done for reward.

Although there is a little teasing that takes place in the pursuit of

raising funds, it is done with the best of intentions. It is done for fun, and it is not meant to offend anyone. We are all in this together. It is a collective effort and when the job is done and done well we all win. Scott Piercy use to say "we have the best civic club in town." I believe Scott is right and what makes our club the best is the membership. We are thankful for the old members and welcome our new members. We will continue to sell signs, work the fair, attend meetings, present Amtrykes, and give scholarships. Each will do what he is best at and most comfortable with.

Best of luck to all.

Meeting Highlights

Lt. Gen Benjamin Freakley recently spoke to a joint meeting of our club and the Rotary club.

Patty Vannoy demonstrates the new larger sized Amtryke. Patty, who is serving this year as the chairman of the National Scholarship Committee, reported they awarded over \$140,000 in scholarships and that Texas Tech students received over \$18,000 in scholarships.
