Members and Guests Celebrate Club's 50th Anniversary

AMBUC national officers, national office staff, and other distinguished guests including Mayor Tom Martin joined Lubbock Monterey AMBUC members as we celebrated the club's 50th anniversary on Saturday, Dec. 4.

Our charter night president, Deaton Rigsby, was in attendance and addressed the group. Other charter members in attendance were Charles Lovell and Bob Clark. Both Charles and Bob maintain inactive membership.

After a delicious meal, the program consisted of various members talking about the highlights of each of the past five decades. Bob Clark discussed the 60's, Berwyn Tisdell the 70's, Rick Sosebee the 80's, Jim Berrier the 90's, and Patty Vannoy the most recent past decade.

Thanks go to Gail King, Richard and Patty Hamilton, and all the rest of the social committee who worked on this special evening.

Berwyn Tisdell, as part of his presentation of the 70's, read us a piece he had put together about a Soccer Tournament fundraiser the club worked

on. Several members have asked him for a copy. The following is what he read:

Report on Soccer Tournament

Several months ago at a board meeting, the question was asked, do we want a money making spring project? The answer was yes, if we could come up with a project that would involve each and every one of our members.

This report was written to depict how the project came about and how EACH member was involved in making it a success.

The project committee decided to take STOCKTON of our situation and came to the STARK realization that we needed a project that would make us all RICHMOND. So they began searching PARR and NEHER for something that they could PERCIVAL as a money making project. Many ideas were considered.

Patty Hamilton and Gail King

One member had a idea that we should get a well known enter TANNER or comedy team, somebody like Carol Burnett could put on a show here in Lubbock. Bob made a reCLARK that she was an OLDHAM and that Carol ANDERSON would be a good team. James said he would MILLER a picture of himself to entice her to come. Jim said if she turned out to be a total flop that he would BERRIER.

Not everyone was in favor of the idea. Many felt that we could not COPELAND with the problems that

would be encountered. J.C. said that this kind of project WILBURN us and that we could get our FANNING in a CRAIG. Everyone was FRANK in stating their opinions about the idea. Some felt that it would be a donny-BROOKS while others said that if they had their CARRUTHERS they would do something MORRIE exciting.

Finally, two of the DEMENTED members of the committee were

driving around east of Lubbock, somewhere NEHER RALLS. As they came over a small LINDRIDGE they saw a bunch of kids out in a field of JOHNSON grass kicking this ball around. They had a great idea. (I told you they were DEMENTED.) While CUMMINGS back to town, driving their skinny car, (it was a LANKFORD) they developed their idea of a soccer tournament. They said this is a PERRY good idea and DINK that it is one that the club will

LOVELL. It is a project that we can WAID right into if we all get up off our DUNCANS.

The committee presented the idea to the club and explained that everyone would have to do their part and not CHICK out, OWENS to how we needed to raise the money. They felt that this was a good project in spite of its short CUMMINGS and they NEWT would make money.

The club voted to go ahead with the project because in the

long HALL they felt it was a good thing. (The club members are also DEMENTED.) Those members that were skeptical about the project said that if this is what the club wants to do then SOSEBEE it.

The committee was so elated about the club's decision that they began singing the national anthem (O.J. can you see.)

I'm sure you realized one thing about this report, it TISDULL.
